### **We are *serious* about our harmony!**

The Village Vocal Chords (VVC) sings a cappella, four-part harmony for public, private and charitable events. We also enjoy the thrill and challenge of competing and are 15-time International Champions of Harmony, Incorporated.

### **Do you know a woman who *loves* to sing?**

Please send her our way; she will be glad you did!  
No professional training is needed, just the ability to carry a tune and the desire to develop musically.
