COME SING WITH US!

No professional training is needed, just the ability to carry a tune and the desire to develop your skill. Women of all ages and backgrounds who LOVE to sing are strongly encouraged to pay us a visit. Many of us wish we had done so sooner!

WE ARE SERIOUS ABOUT OUR LOVE OF HARMONY

The VVC have competed in 26 international contests, winning three 3rd place medals, three 2nd place medals, and 14 International Championships, with the most recent gold medal earned in 2003. We especially enjoy sharing our music with an appreciative audience, whether one person or hundreds. Throughout the year, we perform for public and private events, including donated performances for charitable events. Our International charity is Autism. Each Harmony Inc. chorus assists in its own way; the VVC designate a portion of their annual show profits to area organizations that support families of autistic children.

EACH rehearsal is a voice lesson! Learn from some of the best that Harmony Inc. has to offer. Our Director, Jeanne O'Connor and many of our chorus members travel throughout North America to coach other choruses and quartets.

"Every so often, a visitor to our rehearsal gets a look on her face that we all recognize because we have been there. It's the outward expression of her heart saying 'this is for me!'"
